

## **Thurs 17<sup>th</sup> Sept: Chester CND**

7.30pm The Unity Centre, *Cuppin Street, Chester, CH1 2BN*

This meeting, like the one cancelled in March, is to discuss the future of the group. When this incarnation of CND was set up, there was the possibility of cancelling the next Trident order, but in the current climate, there is no obvious immediate focus for our activities. The group can of course just hibernate for a while, but it feels as if spring is a long way off, and there are perhaps at the moment other more pressing issues for activists to become involved in.

If you can come to this meeting please do - if you can't come but have ideas on these points please reply to [chestercnd@gmail.com](mailto:chestercnd@gmail.com) and we can take your thoughts there. We will of course let everyone know what decisions we come to.

In peace, Margaret & Dai.
