

Chester World Development Forum

Diary version 13-12-2021

Every Tuesday at 7pm: “Tellus” – Eco-Communities Crowdcast

Chester FoE runs Eco Communities TV at 7pm on Tuesdays each week. They say: “If you have something you want to say, a community project you are involved in, or you want to talk about anything in the eco/ sustainable world you think people should know about, get in touch. You can follow our Eco Communities TV Channel on Crowdcast.”

For instructions on how to join, [click here](#).

Tuesday 14 December at 7pm: CWDF Meeting for social networking, plus updates from our individual members and from their groups.

This will be held at our regular meeting place, The Unity Centre. We hope our final 2021 Forum meeting will give members a chance of an informal evening to exchange news, views and plans, and eat some of Georgina’s home-made lemon drizzle cake. On a more serious note, we will discuss the possible topics which we will ask Chris Matheson to talk about in our first meeting in 2022 – see below for details.

Saturday 18 December 2021 from 10am to 1pm: Chester & Wrexham Amnesty International Group “Write for Rights” in the Kitchen at Storyhouse.

Our local Amnesty group warmly invites you to join hundreds of thousands of Amnesty supporters around the world taking part in our annual “Write for Rights” campaign. We will be writing cards to show our solidarity for 10 people and organisations enduring human rights abuses. Our Amnesty group will arrange for all the cards to be posted.

For further details please click on the link below which will take you to the appropriate page on the Storyhouse website: <https://www.storyhouse.com/event/write-for-rights>

We will be located at the far end of the Kitchen area, near to the entrance to the theatre, but as the theatre production starts later in the afternoon it should be a quiet area.

Friday 28 January: CWDF Forum with Chris Matheson, MP for the City of Chester.

This will be at our regular meeting place, The Unity Centre. Chris has the date in his diary, and we will notify members of the starting time once Chris gives us final confirmation; it is likely to be between 6 and 7pm. The aim is to ask Chris about his views on development issues our members are most interested in. The cuts made to the UK Aid Budget, and the way it is now being targeted, both remain high on the list of likely topics.

Save the date: 16-19 June 2022: Green Expo 2022 from 10am to 6pm daily at the Riverside, Castle Drive, Chester.

There will be displays, demonstrations, exhibits, and presentations on the latest sustainable technologies for powering future homes and transport. Understand how these technologies will impact our lives and potentially could create large numbers of skilled jobs.

Admission is free.

More information will be available from @greenexpochester and www.GreenExpo.uk nearer the time.
